As the leading organization dedicated to the awareness, prevention and treatment of kidney disease, the National Kidney Foundation of Florida presents the **RENAL PROFESSIONAL FORUM**. This year, we will present the 17th Annual RPF, Wednesday, September 21st, Thursday, September 22nd & Friday, September 23rd, 2022 at Hutchinson Shores Resort & Spa in Jensen Beach, Florida. This program is designed specifically for Renal Social Workers, Dietitians, Nurses and Technicians and has been developed by a committee of your peers.

This year, our conference will celebrate the everyday clinical heroes in dialysis and transplant. Session topics will be geared toward our Renal Professionals as they focus on patient care, treatment modalities and celebrating the hero within. The content of the sessions presented will focus on the roles of our renal professionals as they relate to the advocacy, health, teamwork and advances in caring for patients with Renal Disease.
